VIII. Conclusion

Applicant notes that the examination of this application, at least for double patenting, has been extraordinarily sloppy. This is a waste of time for the examiner, and a waste of money for Applicant. Applicant respectfully requests a careful examination of the claims, in light of all differences indicated above.

In view of these remarks, Applicant respectfully submits that the claims are in condition for allowance. Applicant requests that the application be passed to issue in due course. The Examiner is urged to telephone Applicant's undersigned counsel at the number noted below if it will advance the prosecution of this application, or with any suggestion to resolve any condition that would impede allowance. In the event that any extension of time is required, Applicant petitions for that extension of time required to make this response timely. Kindly charge any additional fee, or credit any surplus, to Deposit Account No. 23-2405, Order No. 114596-20-4009.

Respectfully submitted,
